

BOURGOGNE 勃艮第

Nez de cerises noires. Robe rubis foncé. L'attaque est nette, la bouche d'une amplitude étonnante. Le sol argileux donne corps et fermeté à ce vin et lui confère une affinité particulière avec les gibiers. Les tanins très présents se fonderont avec l'âge. Napoléon avide de conquêtes ne l'était pas moins de Gevrey-Chambertin. Ou, peut-être est-ce bien ce vin qui lui donna ses envies de conquête ?

盖芙瑞-香柏坛地区典型的黑樱桃香味。色泽均匀的深红宝石色。口感紧实，葡萄园的粘土吸收了古老的矿床营养，使得这款酒紧实刚毅，也赋予了它无以伦比的亲和力，使它成为很多品酒家在勃艮第地区追逐的对象。

单宁随着年龄的增长逐渐成熟，带着盖芙瑞-香柏坛庄园独特的芳香甘美。这款酒是拿破仑特别喜欢的，他品过的次数与他征战的次数一样多。又或者，是这款酒赋予了他征服的欲望？

Nose of black berries, typical of Gevrey-Chambertin wines in their youth. Dark ruby robe of an unusual depth and density. The attack is clear, stunningly wide in mouth. The calcareous soil, fairly rich in fossils, gives this wine body and firmness. Both particularities are sought in Burgundy and confer the wine a special pairing with game. The tannin, very present, will melt during ageing, bringing the suavity and the velvet of these vintage wines. Napoleon was keen on conquests as well as on Gevrey-Chambertin, one of his favourite wines. Or maybe it was this wine that urged him to conquer the world.
